# Live Transcript/Video Streaming

- From the convenience of your home or office, anywhere in the world, follow depositions or proceedings in real-time.
- Reduce travel and increase efficiency... secondary participants can follow real-time video and/or transcript and participate via chat function.
- Ideal for experts, co-counsel, key witnesses and principals.

- No software or expense required...All participants need is a computer with a high-speed internet connection.
- Transcripts can be saved as an ASCII file at conclusion of deposition.
- Starting as low as \$95/day/connection plus the real-time transcript.
